OUR PURPOSE

At Little Angels we strive to provide a safe and loving environment where each child feels valued and important. Our goal is to build a sense of trust as a foundation for the learning of God's love. Our program focuses on academic and social skills along with arts and crafts, music and movement, and a scheduled play/gym time. Our age appropriate program provides children with opportunities to learn through many different mediums including the necessary skills needed for Kindergarten. Your child will get a firm foundation on which they can grow physically, spiritually, emotionally, and intellectually.

OUR STAFF

The loving and caring teachers at Little Angels are dedicated to the care and education of young children. Our staff is well diverse in early childhood education.

Applicants' backgrounds are scrutinized, and staff members are CPR and First Aid trained.

2019-2020 CALENDAR

Our program's calendar dates will be included in the Parent Packet.

We generally follow the School District U-46 calendar; this includes holiday breaks and snow days.
