

# Our Purpose

We strive to provide a safe environment where children feel valued and important. Our goal is to build a sense of trust as a foundation for the learning of God's love. Our program focuses on academic and social skills along with arts and crafts, music and movement, and a scheduled gym time. Our age appropriate program provides children with opportunities to learn through many different mediums including the necessary skills needed for Kindergarten. Your child will get a firm foundation on which they can grow physically, spiritually, emotionally, and intellectually.

# Our Staff

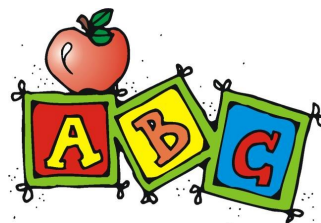

Our loving and caring teachers are dedicated to the care and education of young children. Our staff is well diverse in early childhood education. Applicants' backgrounds are scrutinized, and staff members are CPR and First Aid trained.

We follow School District U-46 calendar; this includes holiday breaks and snow days.

## CLASSES

The children stay in their assigned class for the entire school year, regardless of having a birthday.

### **Pre-S 2/3's**

Child must turn 2 by September 1. Both social and academic skills are taught. We focus on developing fine and gross motor skills, recognizing the alphabet, colors, shapes and numbers. Emphasis is on social skills such as sharing, taking turns, and playing together. Class activities include circle time, arts & crafts, free play, gym time, music and movement, and story time.

### **Pre-S 3/4's**

Children must turn 3 by September 1. Both social and academic skills are taught. Children will focus on the alphabet (letter recognition), days of the week, months of the year, pre-writing skills, name recognition, math and science skills, and fine and gross motor skills. Class activities include circle time, calendar, arts & crafts, music and movement, gym time, and free play.

### **Pre-K (4's – 5's)**

Child must turn 4 by September 1. Focus is on kindergarten-readiness, social and academic skills, letter identification, letter sounds, rhyming, pre-reading & writing skills, math and science skills. Class activities include circle time, calendar, alphabet activities, arts & crafts, music and movement, gym time and free play. We teach self-help skills and learning responsibility through classroom jobs.

### **Spiritual**

Children will participate in "Adventures in Faith" which is a spiritual based curriculum. This program gives the children a basic foundation which begins with the importance of God and his love for us. These lessons in Christian faith are taught using bible stories, praying, and Christian based songs.
