During this time of physical isolation, ministry continues!
This list will be updated and reissued with any changes.

You can join by dialing in on your landline,
one-touch dialing on your mobile phone,

mobile device or computer via the Zoom link.

To DIAL in on your LANDLINE, first dial (312) 626 6799 and wait for the prompt that requests you to enter the Meeting ID number. The Meeting ID number is located under the name of the room. Next, enter the password/passcode. Contact us for the code.
